## **Langton's Margaret River Wine Show & Halliday Australian Cabernet Challenge International Judge Announced**

The Margaret River Wine Association is thrilled to announce Joe Czerwinski Managing Editor, Robert Parker Wine Advocate as this year's International Judge at the Langton's Margaret River Wine Show and Halliday Australian Cabernet Challenge.

"I'm looking forward to my fourth visit to Margaret River. I know from past experience that the Cabernets and Chardonnays are world class, but one of the great things about judging regional shows is that you often get to see the full gamut of what's being produced there." said Joe.

Joe will be joining a team of exceptional judges from around Australia led by David Brookes in his first year as Chair of Judges.

David Brookes said "Margaret River is in fine form at the moment with a wonderful run of quality vintages and uniformly excellent wines across the region. It is a great honour to step in as chair of the Margaret River Wine Show after the fantastic show results of departing chair, Corrina Wright and the wonderful job she has done for the past three years. I'm also very much looking forward to working with the cracking team of judges who have been assembled for the 2019 Margaret River Wine Show including the renown palate of our visiting international judge, Joe Czerwinski from the U.S.A."

The Langton's Margaret River Wine Show and Halliday Australian Cabernet Challenge will take place from 28<sup>th</sup> to 31<sup>st</sup> October 2019.

Entries to the Langton's 2019 Margaret River Wine Show and the Halliday Australian Cabernet Challenge will be open in August.
