

WINE INDUSTRY

Vital skills for the cellar

Work in the wine industry

FDF30411 – Certificate III in Wine Industry Operations

LEARN YOUR CRAFT IN OUR CELEBRATED WINE REGION

The Cert III in Wine Operations course commences Tuesday 2nd February 2021. Delivered over two day per week for those wishing to work in various roles in the wine cellar industry. You will learn about the various functions of the winery with an extensive induction and gain hands-on, practical experience in various areas such as manual handling, workplace safety and cellar operations.

On completion of the course, participants will receive a Statement of Attainment for the nationally accredited units:

- FDFFS2001A Implement the food safety program and procedures
- FDFCEL2019A Carry out transfer operations
- FDFCEL2005A Operate the pressing process
- FDFCEL20002A Perform fermentation process
- FDFCEL2018A Carry out inert gas handling operations
