

Wine businesses win when they take on a **TRAINEE**

Teach the next generation of workers

Employing a trainee can bring real benefits to your business

Trainees receive on-the-job experience in your workplace, trained to your requirements and supported by high-quality, industry-standard training and assessment of their skills from South Regional TAFE.

Financial incentives for employers make this a sound business strategy.

For more details on employing a trainee, visit www.southregionaltafe.wa.edu.au/employers

TRAINEESHIP OPPORTUNITIES OF UP TO THREE YEARS AT THE MARGARET RIVER CAMPUS

FBP30920 – Certificate III in Wine Industry Operations

This certificate offers a dual specialisation in cellar operations and viticulture.

Students will gain the skills and knowledge necessary for operational employees in the wine industry, carrying out skilled tasks under broad direction in a range of sectors, including

- ▶ Cellar operations and laboratory testing
- ▶ Wine grape growing, harvesting and post-harvesting.

FOR EMPLOYERS, TAKING ON A TRAINEE IS EASY

Step 1 – Link with an Australian Apprenticeship Support Network (AASN) provider – choose from **Apprenticeship Support Australia, MEGT or The Apprenticeship Community**

Step 2 – Nominate your Registered Training Provider – South Regional TAFE, RTO Code 52790

Step 3 – The college will contact you and help you to get your trainee off to a great start

Register your interest – see details below. Or phone the Margaret River campus on 6371 3800 for more information.
