

MARGARET RIVER WINE MIXED CASE SHIPPING PROGRAM

Explore the Margaret River Wine Region, pick your favourite wines and send a mixed case back home or to family and friends domestically or overseas in 3 easy steps:

- Step 1.** Ask one of the friendly cellar door staff for a Margaret River shipping box from any of the participating wineries. **International visitors** – please make sure you ask for a Commercial Invoice, which **must be** completed by each venue that you make a purchase.
- Step 2.** Make your way around the region and fill your box with your favourite wines from the wineries listed.
- Step 3.** At the final stop, provide the cellar door staff with your Margaret River box, (and Commercial Invoice for international shipping) along with your personal details. They will let you know the cost to send, take payment and will do the rest.
