

Course Information Online Bushfire Fundamentals

Background

Bushfire Fundamentals has been developed to support those who undertake duties in supporting Incident Management Teams at bushfires. It is targeted at personnel working at incidents such as utility companies, St John WA, contractors, WA Police and Department of Defence. The course provides an overview of bushfire characteristics and behavior, bushfire safety and survival, the Australasian Inter-Service Incident Management System (AIIMS) and the role of WA fire agencies in bushfire response.
