Message from the Chair

This year the 2026 Endeavour Group Margaret River Wine Show, under the expert guidance of David Bicknell in his third and final year as Chair of Judges, attracted some 560+ entries from 87 exhibitors. Judging was again staged at the Margaret River HEART, on Wadandi Boodja, marking the 7th year of the partnership. We sincerely thank David and his dedicated team of fifteen judges and associate judges for their hard work.

For the third year we welcome and thank the Endeavour Group as our naming rights sponsors. Thanks also to new sponsors Community Bank Augusta Margaret River, Grapeworks and TenGolf Group, along with all our returning sponsors, without whose support the Margaret River Wine Show would not be the successful event which it is.

Our special team of Stewards, Volunteers and Wine Show Committee, who generously volunteer their time, deserve special thanks. Your hard work both before and during the Show is very much appreciated and does not go unnoticed.

Congratulations to all the 2026 Endeavour Group Margaret River Wine Show medal and trophy recipients!

Meet the Judges

COURTNEY TREACHER
Senior Winemaker
– Houghton & Brookland Valley Wines

Searching for a career with a difference Courtney studied a Bachelor of Science (Viticulture and Oenology) through Western Australia's Curtin University. Courtney worked brief stints in the vineyards of the Perth Hills and Swan Valley before doing vintages in Margaret River at Redgate Wines and in the Hunter Valley at Tamburlaine Wines.

Courtney has long been a part of the Houghton Winemaking team, racking up her 20th vintage in 2023 across the Houghton Swan Valley and Nannup sites. In 2013 Courtney was appointed the winemaker responsible for Brookland Valley Wines and in 2020 the Senior Winemaker for Houghton Wines. Courtney continues to enjoy being part of a dynamic team and the challenge of making wines of varied styles under the Houghton, Brookland Valley, Goundrey and Amberley ranges.

Courtney has been involved in wine show judging at a number of local and national wine shows, and was a scholar at the prestigious Len Evans Tutorial in 2011. An experience she describes as once in a lifetime.

JACOPO DALLI CANI
Head Winemaker
– McHenry Hohnen Vintners

Born and raised in the picturesque town of Soave in northeastern Italy, Jacopo grew up in a landscape that naturally shaped his passion for winemaking. His journey began at the University of Viticulture and Oenology in Conegliano, where he laid the technical foundation for what would become a global pursuit of wine knowledge that perfectly aligned with his passion for travelling.

After gathering valuable experience in his home country Italy, Jacopo ventured to renowned wine regions around the world completing vintages in Bordeaux, Barossa Valley, New Zealand, and Margaret River. It was the quality of the wines and the rugged beauty of WA that inspired Jacopo to make Margaret River home where he settled in 2011.

Upon joining the McHenry Hohnen team as assistant winemaker in 2016, he was appointed Head Winemaker in 2019.

A graduate of the ARWI AWAC, Jacopo has been actively involved in regional and capital city wine show judging for a decade.

Meet the Judges

LAUREN HANSEN
Winemaker
- Bloomfield

Driven by creativity, curiosity and collaboration, Lauren Hansen has built her winemaking career across Australia, Bordeaux, Austria and New Zealand. Her experience includes time with leading producers Brokenwood, Bannockburn and Balnaves, as well as eight years as Senior Winemaker at Penley Estate, shaping her approach to site-driven, expressive wines.

She was named dux of the Len Evans Tutorial in 2024, is an alum of Wine Australia's Future Leaders program, and graduated as dux of the University of Adelaide's Bachelor of Viticulture and Oenology.

Now focused on her own label, Bloomfield, Lauren produces thoughtful, small-batch wines that balance precision with energy and character.

RYAN AGGISS
Chief Winemaker
- Aravina Estate

Born and raised in South West WA Ryan was drawn, a very long time ago, to wines and vines after an electrical apprentice was undertaken. He then went on to study wine science at Charles Sturt University in Wagga Wagga.

Having been fortunate to work alongside some amazing winemakers and viticulturalists during the BRL Hardy and Constellation/Accolade times Ryan was given the opportunity to work at Aravina across both viticulture and winemaking operations.

Being apart of the show system for 12 years he is focused on ensuring they can be used as both an industry quality measure but also aligning consumers understanding about the relevance and importance of these endeavours to ultimately help push wine back to a luxury product mindset and not a low cost beverage on the bottle shop shelves.

Meet the Judges

SARAH FAGAN
Winemaker
- TarraWarra Estate

Sarah has over two decades under her belt making wines in the Yarra Valley. Her 20-year tenure at De Bortoli (Yarra Valley) cultivated a deep understanding of cool-climate winemaking, emphasizing balance, finesse, and sustainable vineyard practices. Seeking to broaden her knowledge and hone her skills, she worked vintages at Littorai Wines in Sonoma, California. An experience that deepened her appreciation for site-specific expression in wines, and the important synergy between viticulture and winemaking. From there, she ventured to Germany's Weingut Leitz, learning the intricacies of Riesling and precision demanded by steep slate vineyards in the Rheingau. Finally, time at GD Vajra in Barolo, Italy brought a connection to Nebbiolo & Barbera, and of course the Alba white truffle.

STEVEN PAUL
General Manager/Director
- Oakdene Wines

Steve is the General Manager/Director of Oakdene Wines, based on the Bellarine Peninsula, in the Geelong Region. Steve is Business Graduate (Bachelor Business/Marketing), a graduate of the Australian Wine Research Institute's Advanced Wine Assessment course, Wine Spirit Education Trust's (UK) Advanced Certificate, and Len Evans Tutorial Scholar.

Class 2 Comments:

Wow, what a great class to judge. It was a real challenge to tease out the best wines which is brilliant to see. From a so called less than perfect warm year the best wines were world class and speak of great vineyards and considered winemaking. The lesser wines looked tired or too oaky.

Class 6 Comments:

The inaugural Chenin class which was exciting to judge. A variety on the up and this region is at the top of the countries totem pole. 5 wines were called back and elicited a lot of discussion. The two gold medals showing energy, brightness alongside textural weight. A number of younger wines were finer and elegant examples built of acidity. These are great drinking wines but the talk amongst the judges was that producers should not be afraid of ripeness and flavour when it comes to this variety.

Peaks and troughs through the class. Lots of fruit forward wines. Some already showing development. The top wines had an extra offering of class, balance, restraint and approachability of tannin. Two lovely examples of the vintage and variety perhaps and opposite end of the body spectrum.

Class 10 Comments:

Great class to judge given the strength of the vintage. The two gold medals looked bright and vibrant and poised. The brilliance of these wines is that you can drink them now and yet they will age with grace. Given its a aged class there where some wines that looked forward and tired but on the whole the vintage exposed itself ;)

A small selection of wines but ones that elicited a lot of discussion. Some wines did look more prematurely aged than we expected. The one gold was vibrant, fresh and yet had structure and presence.

Class 16 Comments:

An enjoyable selection of wines. This variety clearly performs well here and retains freshness across the vintages. We were looking for wines that had varietal definition, approachability and a degree of resolution on the palate. As with any great wine the two tops golds had freshness, purity and flow.

Class 17 Comments:

Best examples showed bright vibrant fruit, with balanced oak handling. Some wines still a little overdone with oak.

Dormilona	2026	Mourvédre	Margaret River	18	23		
Yeah Wine	2025	Touriga Nacional	Margaret River	18	24		

Class 18 Comments:

Unfortunately this was a disappointing class. The gold medal winning Tempranillo was young, bright and vibrant with a lot of drinkability. There was a few light, easy drinking wines (lacked complexity to medal) that really show another side to Margaret River drinking but a lot of wines were tired, oaky and over extracted. Mind you its a class to preserve with as these wine made well offer a great alternative to the regions stronger varieties.
